ORDER

In the reference read above, the Director of Health and Family Welfare, A.P. Gollapudi, Vijayawada has stated that the Primary Health Center, Khajipeta, YSR District, is having 5 Sub Centres with 2 MPHS(F) posts by covering the population of 38,000. But, the Primary Health Center, Nallapureddipalli, YSR District, is having 11 Sub-Centres with only one MPHS(F) post by covering the population of 85,750. It is very difficult to monitor supervise the Health Activities in the PHC area and contrary to rules. As per norms there should be one MPHS (F) post for every 4 sub-centres for effective supervision of all Health Activities. He has requested to rationalize one post of MPHS(F) on Revitalization from PHC, Khajipeta, YSR District to PHC, Nallapureddipalli, YSR District.

2. Government after careful examination of the matter, hereby accorded permission to Rationalize one post of MPHS(F) on Revitalization from Primary Health Center, Khajipeta, YSR District to Primary Health Center, Nallapureddipalli, YSR District.

3. The Director of Health and Family Welfare, A.P. Gollapudi, Vijayawada, shall take necessary action accordingly.
